## GBAI/HMI Annual Fall Convention

November 4-6th, 2005 - The Victorian Inn  
and Condos in Galveston

Overeaters Anonymous is a fellowship of individuals who, through shared experience, strength, hope, and the 12 steps of this program are recovering from compulsive overeating. We welcome everyone who wants to stop eating compulsively. There are no dues or fees for members; we are self-supporting through our own contributions, neither soliciting nor accepting outside donations. OA is not affiliated with any public or private organization, political movement, ideology or religious doctrine; we take no position on outside issues. Our primary purpose is to abstain from compulsive overeating and to carry this message of recovery to those who still suffer.

Serenity Times is a publication of the Galveston/Bay Area Intergroup of Overeaters Anonymous. ## **In Our Own Words**

*Experience, Strength, and Hope*

### ***One Size Fits All***

I have discovered the amazing power behind Overeaters anonymous. Although I'm not an overeater (I'm a purging anorexic), I still found help in OA. I started going to meeting after my first hospitalization and continued going when I came home from my second and third hospitalizations. In OA I have found some of the most loving, caring people!! And, I'm not the only one of "my kind" there - although we're definitely the minority, there are about six other anorexics/bulimics in the group. The best thing is that everyone is there for each other. We all understand that our problem with food is the same - we just have different symptoms for the same problem. OA welcomes every kind of eating disorder with open arms and I would strongly recommend OA!

## **The OA Promise**

I put my hand in yours, and together we can do what we could never do alone. No longer is there a sense of hopelessness, no longer must we each depend upon our own unsteady willpower. We are all together now, reaching out our hands for power and strength greater than ours, and as we join hands, we find love and understanding beyond our wildest
